Be able to get to and from Salt Lake much more easily, quickly, Widen to Six Lane Arterial and safely than we do now. We want the convenience of doing ■ ■ New Freeway our grocery, clothing, hardware, automotive, and home fix-it Widened Freeway shopping in the same area, and feel we don't have enough of New Interchange those centers available now. We also don't mind driving a bit to get there since we can get it all done in one trip. We want to be Improved Interchange able to get to the commuter rail without too much trouble so we can use our cars a bit less and improve air quality. We're willing to spend money to have good roads and expect our politicians to place high value on transportation. Interchange Upgraded to SPUI
